Business Insurance

At Mercer Jones we provide insurance and risk management solutions for a wide range of different businesses.

We provide cost effective solutions for small and medium enterprises, as well as corporate business.

We arrange cover with insurers for a variety of different trades and sectors.

No two businesses are the same so it makes sense that no two insurance policies are the same!

We provide advice to a wide number of different trades, including but not limited to:

Manufacturing and Product Supply
Logistics and Transportation
Professions
Contracting
Construction
Food and Drink
Retail
Social Care
Education
and many others....

We apply a professional approach and traditional values such as first class service to help guide you through the insurance marketplace to the right solution to your business. We have access to a wide range of insurers and underwriters, including both the insurance company market and Lloyds of London market to ensure that we match you with the right policy.

Please talk to us about how we can review and enhance your insurance placement and risk management to ensure costs are kept under control and cover is right for your business.
